SO WHAT DO YOU DO?

Think an advanced technology career is boring? Think again. Virginia's advanced manufacturers produce everything from cell phones to aerospace components to life-saving medicals. Take the next step and do it www.dreamitdoitvirginia.com for information about careers in advanced technology industries. It's a chance to be a part of the nation's most visible and exciting businesses. And it's the chance to have the life you've always wanted.
