

Supply Chain Matchup Program

Register Today

The VMA Board of Directors is committed to expanding supply chain opportunities among Virginia companies. This includes reaching small businesses, as well as women, minority and veteran-owned businesses. We are excited to announce the **4th Annual Supply Chain Matchup Program** will take place at the 2018 Virginia Competitiveness Forum.

This year we are partnering with the US Minority Business Development Agency, the VA Department of Small Business & Supplier Diversity, and the Regional MFG Institute of Maryland.

Manufacturers will be conducting supplier interviews for products and services. Companies attending the conference can participate in the program for free. If your company would like to participate in the Supply Chain Interviews “only”, there is a \$50 registration fee. Interviews will be scheduled throughout the day on 11/13 & 11/14 in 15 minutes windows. On the online registration form, you can choose to participate on both days, or just one day. An interview schedule will be communicated to participants a week before the event.

All online registrations must be submitted by 12pm on November 2, 2018.
