

# Virtual Supply Chain Match-Up Event

When: August 10 & 11, 2021  
Where: Zoom Conferencing Platform

VMA is committed to expanding supply chain opportunities among Virginia companies, including reaching small businesses, as well as women, minority, and veteran-owned businesses. During this event, industry participants will conduct supplier interviews for products and services. Interviews will be scheduled for 10-minute sessions that continually occur during the 2-hour window.

Once registered, companies will be sent a list of participants to choose from. The meeting facilitator will rotate you to the appropriate virtual breakout room to begin your interview. When your session is over, you will be moved to the next meeting.
